Support for Sister City Affiliation and Exchange

The first sister city agreement between Japan and this region was signed by Yokohama and Mumbai in 1965. At present, 49 affiliations have been concluded.

CLAIR facilitates sister city affiliation and exchange in response to requests. We provide support for international exchange corresponding to the needs of the region and also provide consultation on sister city affiliation. Please contact J.CLAIR Singapore if you wish to establish an affiliation with a Japanese local government.

The Japan Exchange and Teaching (JET) Programme

【Objective】

To increase cross-cultural understanding as well as contribute to internationalization efforts within Japan.

【Content】

The JET Programme enables local authorities (prefectures, designated cities and other municipalities) to employ foreign youths for the purpose of improving foreign language education as well as promoting international exchange at the local level. By teaching foreign languages at schools nationwide and assisting with international exchange activities organized by local authorities, JET participants engage in international exchange at a variety of levels with local residents.

After returning home, many JET alumni continue to contribute towards Japan-related activities through the JET Alumni Association Singapore (JETAA Singapore).
