**Opportunities for
Business Collaboration**

Hamamatsu
Shizuoka, Japan

A leading city in manufacturing,
photonics, mobility and advanced
technologies.

MEET THE 6 HAMAMATSU COMPANIES

Innovative solutions from Hamamatsu to the global market

1

ZeroOne Inc.

DIGITAL TWIN | IoT | AI ANALYTICS

Develops digital twin and AI solutions that turn physical
spaces into actionable data, visualizing factory operations,
worker safety, equipment status, and customer behavior in
retail.

🌐 <https://zeroone.jp>

2

Soco-lab Co., Ltd.

GENERATIVE AI | PERSONALIZED MERCHANDISE

Combines generative AI with on-demand manufacturing to
transform photos and ideas into personalized products.
Enables AI-assisted design, local production, and IP
management, reducing international shipping.

🌐 <https://soco-lab.com>

3

Pi PHOTONICS, INC.

ADVANCED LED TECHNOLOGY | INDUSTRIAL SAFETY | CREATIVE
LIGHTING

Develops HOLOLIGHT LED technology to project clear
lines, rings and patterns for industrial safety, visual
inspection, entertainment, architecture and creative
spatial experiences.

4

FUSE

(Hamamatsu Iwata Shinkin Bank)

STARTUP INCUBATION | INNOVATION | ECOSYSTEM DEVELOPMENT

A startup hub operated by Hamamatsu Iwata Shinkin Bank,
providing coworking spaces, digital fabrication facilities,
business matching and startup support to connect
entrepreneurs and innovators.

5

Funpicking Co., Ltd.

JAPANESE TEA | AI PERSONALIZATION | WELLNESS

Shizuoka Matcha Therapy combines premium Japanese
tea with an AI-powered Tea Counselor to create
personalized tea experiences, promoting wellness and
connecting people with authentic Japanese tea culture.

🌐 <https://funpicking.com>

6

Blue Farm Inc.

SUSTAINABLE MATCHA | AGRICULTURE | GLOBAL SUPPLY

Operates MatchaaS, a sustainable matcha supply service
that revitalizes underutilized Japanese tea fields. Manages
cultivation, processing, quality control and exports to
provide traceable, high-quality Japanese matcha.
